OUR HISTORY

Sedar interiors group which is an organization established **35 years** ago and is one of the leaders in interior field.

It takes away all the hassle of designing residential and commercial projects we undertake. As a collective team, the designers create both modern and traditional designs with a unique twist, turning any space into a powerful expression of the client's personality.

DESIGN & EXECUTION TEAM

We have been designing and executing for more than fifteen years and we keep all operations in-house so that we can control the delivery time and the quality of our product. Sedar Interiors design teams have direct access to a wide range of high-end design trends and ideas. We have an extensive portfolio to showcase our work, and our showrooms in Hawally & Shuwaikh, where we can show you our projects and a selection of our interior designs. Our designs are done in steps to ensure that the client is happy with everything before proceeding. The final design ensures a beautiful, comfortable, and most importantly a functional space for our clients.
